

Join us at

on Sunday mornings!

Beginning in September 2018 we will be continue our journey through The Story together as a whole community – children, youth and adults! The Story is an abridged, chronological Bible that reads like a novel. There are no verse references and Scripture segments are seamlessly woven together with transition text into a single grand narrative. We will dive into the New Testament this fall.

Each week, we will present a Bible lesson which corresponds to the current chapter of The Story being presented across our church campus. Your child will come home with a trading card which depicts a scene or character from the Bible with a Bible verse and important facts. In addition, parents will receive the "Parent's Page" for each lesson, which offers ideas for interacting with their entire family around the week's Bible story.

We hope you will join us on this adventure.
