

April 23, 2024

Dear Parents,

I am writing to you because your student participated in our high school ministry before graduating in 2020. We are in the process of putting together a slideshow presentation that will appear in one of our upcoming church services to honor all of our high school and college graduates in the Class of 2024. We would love to have your student be a part of it if they completed (or will complete) their degree this year!

If you would like to participate, please provide the following by May 1st:

1. Three (3) photos: One from childhood, one from high school, and one from college.
2. Please provide their full name, the name of the college they are graduating from, and the degree they earned.

I look forward to hearing from you soon. Please don't hesitate to reach out to me or Preston with any questions you might have.

Blessings,
Aileen
