

DISCIPLESHIP

HOUR!

WHY ARE WE MAKING THIS CHANGE?

We are excited about this change, however we're sure there are questions about why the Session felt this was the right way to go. Here are a couple of helpful answers to the question "why".

- **Developing the Life-Long Faith of our Families** – To ensure that our kids and youth develop a faith that carries into adulthood, we're providing families the opportunity to enroll their children in age-appropriate discipleship classes without giving up life-forming worship experiences.
- **Unify the Congregation** – By instituting a discipleship hour that starts fifteen minutes after the traditional service and ends fifteen minutes before the contemporary service, congregants will now have the opportunity to get to know brothers and sisters that are a part of the same church, but worship differently.
- **Spending Time with the Family** – We're raising the bar for what it means to be a part of the First Pres family. Instead of one hour a week, we're going to give the Lord Sunday morning so that we can grow together as disciples of Jesus.

DISCIPLESHIP
