NEW! STUDENT SECTION

During the 11am service, it's been such a joy to see students sitting together and enjoying fellowship. We love it so much that we'd like to make it official by creating a Student Section!

The student section will be on the west side of the Sanctuary (opposite the tech booth), using the back three rows. These seats aren't reserved, so we'll just need to arrive on time to make sure we can sit together.

If you'd still like to sit with your parents, that's totally fine! We simply wanted to offer this option so students have a place to gather, feel included, and know they belong.

STAY CONNECTED....
